

EAST DRAYTON VILLAGE UPDATE

Issue 5 May 2025

Ne'r cast a clout, till May be out! And oh my...the May (hawthorn) certainly has been, along with newborn lambs, brave garden flowers and the welcome sight of busy bees! How lucky are we to live in such a gorgeous place!

You will have noticed that the April issue was a tad later than usual to go out, so this May issue may be slightly briefer than usual. Please remember to email me any items of interest you'd like to be included in future issues.

St Peter's Church *by Janet Goddard*

Thank you once again to all the volunteers on the Church grass cutting rota. It makes the village look beautiful & well cared for (although the lack of rain means the grass hasn't grown as fast as usual so far this season). The Church lawn mowers have had lots of wear, and we are grateful to the person who kindly donated a second-hand mower to replace one of the old ones. However, the other old mower will need replacing next year. £100 has been raised by the Monday, Move to Music group. This money has been deposited in the Churchyard account and will help towards the cost of replacing the other mower next year.

We would like to thank the Parish Council for their contribution towards servicing the mowers this year.

Destination, Peru!

Enjoying the beautiful weather, but wish you had something better to sit on ?

Jack has been very lucky, in that he's had this customised bench made for him, to help raise funds for Peru. It can seat three people comfortably, measuring 1.5metres. Buy a raffle ticket for £2 and it could be yours to enjoy these beautiful warm days. A big thank you to Neil Stanley, for making and donating the bench. please contact Sarah (07932) 711136.

Alice has also been enterprising in her fundraising for the Peru trip! Together with her grandad, she has been busily making and selling beautiful obelisks for use as garden sculptures or plant supports. They can be seen (decorated with flags) in the front garden of her home on Low Street!
